ALSO, 'Returned lots for which the vendor has been paid become the property of the Society and will be disposed of in the next Auction. SUBMITTING MATERIAL: Good material of our 4 countries is always welcome. The minimum lot value is £10. Items worth less than this are not suitable for the auction.

If you have any doubts as to whether your material is suitable for inclusion, you are advised to send me a list of items in advance to save unnecessary time and postage charges. In any event you should NEVER include a list of items with values with the items themselves.

Please do not send heavy books as the postal charges incurred in sending them to book bidders is considerable.
